

NEW RANGE

# Simply Tear and Prepare

## Why Pouch Packs over Cans?

Less liquid so higher drain weight

Less heat treatment on product

More efficient use of space & storage

Easy to open

Reduced risk of injury

Reduced freight & transport costs

Easy disposal

## Get creating with our *Antipasto Pouch Range*

Riviana Food Service, in collaboration with ALFICHEF, is delivering flavour without the fuss with a range of antipasto pouch packs direct from Italy.

From easy opening, less heat treatment on product, more product in pack and its slimline design when compared to cans, this range works to save you money through reduced risk of injury, efficient shelf storage and paying for more product – not liquid. Make the move to pouch and realise the benefits from the first tear.
